A public meeting of the Arizona Game and Fish Commission will be held on **April 16, 2011 at the Arizona Game and Fish Department, 5000 W. Carefree Highway, Phoenix, Arizona 85086** as authorized by A.R.S. § 17-201(D). This is a work session only and no legal action will be taken on the following matters:

Meeting begins after conclusion of the regularly-scheduled Commission meeting

1. **Commission Discussion of Recreational Access Issues within Arizona.** The Commission will engage in a discussion regarding recreational access issues, including possible short and long term approaches the Department and Commission may consider to address the issue in Arizona in the future. This discussion stems from the March 23, 2011 Commission decision to close the 2011 antelope hunts originally approved for Game Management Unit 19B during the fall of 2011 and from the public input and interest that has occurred since that decision.
2. **Call to the Public.** Those persons wishing to speak should complete a speaker's card and present it to the host. Unless prior approval has been granted by the Chairman, comments will be limited to no more than three minutes. No discussion or action will be taken by the Commission. Any items requiring further discussion or action will be included on a future Commission meeting agenda.

Carefree Highway, Phoenix, at Department regional offices in Pinetop, Flagstaff, Kingman, Yuma,

Tucson, Mesa and at the meetings.

During the public meeting, the Commission may afford any person, their duly authorized representative, or both, the opportunity to present statements relating to agenda items, with or without the opportunity to present them orally. The Commission may go into Executive Session for the purpose of obtaining legal advice from the Commission Attorneys on any of the above agenda items pursuant to A.R.S. § 38-431.03 (A) (3) & (4). One or more members of the Commission may appear and participate in the meeting telephonically or by other electronic means.
